

## **World Third-largest Backsheet Manufacturer: Coveme has successfully hold its SNEC Clients Appreciation Gala Dinner**

Coveme has successfully hold the Clients Appreciation Gala Dinner in Pudong, Shanghai after SNEC on the evening of 29th, April, 2015,.

With the theme “Jump Into the Future”, Coveme is intended to strengthen its relationship with Chinese Clients through this Gala Dinner. More than 200 people from PV industry and Chinese media has attended this dinner and enjoyed together the fabulous artistic shows.

In the just-concluded Ninth SNEC (2015) International Photovoltaic Power Generation Engineering (Shanghai) Exhibition and Forum, Coveme launched the backsheets with low water vapor transmittance (WVTR), which can reduce the “snail trail”of PV modules, and showed other new technological achievements to the overall industry.

In the past period of time, Coveme has made remarkable achievements in PV backsheets industry. Despite the fierce competitions in global PV backsheets industry in 2014 , Coveme still plays strong and becomes the world third largest manufacturer of backsheets with its 30 million square meters of backsheet sold globally. These results have been aided by Coveme’s own R&D department, and its tireless efforts of maintaining long-term cooperation with most professional raw material suppliers.

On the Gala Dinner, Mr. Fabio Menicanti, General Manager Sales Asia of Coveme delivered his speech about Coveme and the PV industry. “Under the trade internationalization of this age, bigger and more challenges are waiting for us. We have to get ready for all kinds of opportunities and succeed at these challenges. This is Coveme’s commitment to our clients, staff and suppliers”, he addressed. Mr Fedrigo, Coveme CEO ,also welcomed the customers and expressed his appreciation during his speech , "Coveme reached these great goals together with its customers, we thank you all."

Coveme will continue to focus on its Asian markets and with its new production line to be put into operation soon, Coveme is confident to maintain and further expand its leadership in the backsheet market during 2015.
