

Privacy Policy

Dear Guest, after browsing this website, data relating to identified or identifiable natural persons may be processed.

With reference to this processing of data are provided, also pursuant to art. 13 of the General European Data Protection Regulation (EU Regulation 2016/679), the following information, the validity of which is not extended to any other external websites consulted by the user via links on this site.

With the continuation of the navigation, and by adhering to the service proposals contained in the various parts of the site (registration to our newsletter, filling in forms to request information, ...), this general information on the processing is given, as well as any specific information related to treatments for different and specific purposes, and the user explicitly consents to the treatments. **It is emphasized that consent is valid only if it comes from an adult or a minor who has reached the age of 14.**

DATA CONTROLLER

Coveme S.p.a., con sede in Via Gregorcic, 16, 34170 Gorizia GO. VAT 02490361207 email: info@coveme.com

LAWFULBASIS FOR PROCESSING

The personal data indicated on this page are processed by Coveme S.p.A. as necessary for the management of the site and, based on specific information, and where necessary on the basis of consent, to offer and perform the services offered by the site itself.

TYPES OF DATA PROCESSED

BROWSINGDATA

During their normal operation, computer systems and software procedures used to operate this website acquire some personal data, the transmission of which is implicit in the use of internet communication protocols..

This information is not collected in order to be associated with identified data subjects, but by its very nature could, through processing and association with data held by third parties, allow users to be identified.

This category of data includes, for example, IP addresses or domain names of computers or other tools used by users who connect to the site, the URI (Uniform Resource Identifier) addresses of the requested resources, the time of the request, the method used in submitting the request to the server, the size of the file received in reply, the numerical code indicating the status of the reply given by the server (success, error, etc.) and other parameters relating to the operating system and to the user's computer environment.

These data are used only to obtain anonymous statistical information on the use of the site and to check its correct functioning and are kept for the time necessary for the purposes for which they were collected.

Cookies

To view the complete cookie policy, see the following link:

Data provided voluntarily by the user

The optional, explicit and voluntary sending of electronic mail to the addresses indicated on this site involves the subsequent acquisition of the sender's address, necessary to respond to requests, as well as any other personal data included in the message. Specific summary information is also reported or displayed in the sections of the website prepared for particular services on request and submitted, where appropriate, to the consent of the interested party (for example, for newsletter subscription).

PURPOSE OF THE TREATMENT AND OPTIONALITY OF DATA PROVISION

Apart from that specified for navigation data and technical cookies, the user is free to provide his personal data through the use of specific forms or forms on the site to request the sending of the newsletter, informative material or of other communications and, more generally, for the purposes indicated in the relative and specific information. Failure to provide such data may make it impossible to obtain the information requested.

PROCESSING METHODS

Our company, as data controller, and each of the external managers, if any, will manage and store the personal data collected through the use of the site and its various functions that can be activated at the request of the user, for automated time strictly necessary to achieve the purposes for which they were collected or voluntarily disclosed by the user.

Specific security measures, as provided for by art. 32 of the Regulation (EU) 2016/679, are observed to prevent the loss of data, illicit or incorrect use and unauthorized access.

The data is managed only by authorized personnel appointed by the data controller. In case of need, the personal data can be processed by the personnel of the company that takes care of the technical maintenance of the site, appointed as external data processor pursuant to Article 28 of Regulation 679.

The data will not be disclosed to any other parties.

DATA SUBJECTS' RIGHTS

To the subjects to whom the personal data processed refer are guaranteed all the rights referred to in articles 15, 16, 17, 18 of Regulation 679 (access with confirmation of the existence or otherwise of the processing of their data; correction, cancellation and limitation of processing when the cases occur).

The interested user has the right to oppose in any case, for legitimate reasons, to their treatment.
