Coveme statement ref. covid-19

Following the latest decree issued by the Italian government on March 22nd 2020, we herewith confirm that Coveme is part of the categories considered as "strategic activities" and therefore Coveme's production, commercial and logistic activities continue to be operative.

Coveme's management continues in its effort to minimize all inconveniences that could affect its customers and partners.

All measures to safeguard Coveme staff are constantly supervised and implemented in accordance with all latest regulations and beyond.

In order to facilitate a continuity of supply and service we kindly ask you to group orders and place them well in advance to allow us an optimal management of available capacities.

Coveme is constantly following and monitoring the evolution of the situation. We invite you to connect with your Coveme representative and stay informed via our website.
